Indian Constitution has pledged to secure for all Justice, Liberty and Equality and to promote Fraternity. While the State has a fundamental obligation to ensure that the operation of our Legal system promotes Justice, the common people also have a role in this matter. They therefore must be made aware of their rights, duties and obligations in this behalf. For common men, difficulty in understanding legal matters is heightened by the fact that most of the legal materials are in English language. I congratulate Sri Kamal De who has taken up the task of spreading awareness in this field by bringing out the Bengali monthly newspaper Barta Naya. I am sure that Barta Naya shall continue to have wide circulation and to receive encouragement from ~~the~~ one and all.
