Dear Editor,

I express my best wishes to you for bringing out your monthly Newsletter which you have named as 'BARTA NYAY'. Having been a Judge of the Jharkhand High Court followed by the Punjab and Haryana High Court, I must say that this was the first time that I came across such a good Newsletter which has attempted to apprise the common people about the subject pertaining to law and of judgments delivered by Courts. I am also happy to note that many important members, both on the legal side as well as on the judicial side have expressed good wishes to the Newsletter .

I wish all success to this Newsletter.

Tapen Sen
Judge, Calcutta High Court
